RE: Parent Information

Welcome to the 2011-2012 Junior Club Volleyball season. In our constant search to help the parents better understand what club is all about, what their athlete is doing, and what to expect, the SCVA has put together this information booklet to better inform you, the parent. **All information and schedules are subject to change. Please contact your Club Director with any questions.**

A) FACILITY REGULATIONS

Parents, we ask for your help in regulating the **“NO FOOD IN THE GYM”** rule. Please remember that neither your club nor the SCVA owns these facilities and that if we wish to have facilities for our athletes to play in, then we must take care of them. This season all facilities will follow the same rules. Please note that these are facilities rules. A facility encompasses the entire building: hallways, foyers, gym proper and any rooms. The Tournament Director, in case of bad weather, will make exceptions. Parents, please follow the following rules:

- NO:** Food or drink allowed in any facility (that includes coffee!).
- NO:** Animals on any school campus (including parking lots).
- NO:** Skateboards, roller blades, or any type of bicycle.
- NO:** Chairs of any kind inside any facility.
- NO:** Coolers inside any facility.
- NO:** Barbeques on any campus.

**** Plastic squeeze bottles with push/pull tops and water only!!**

Outside areas must be kept clean throughout the tournament.

Penalties: Any player caught in violation will be suspended for the next scheduled game. Any coaches, parents, or supporters violating these rules will result in all team and club members thoroughly cleaning the facility at the conclusion of the tournament.

****** If any team, player, parent or supporter introduces and/or consumes alcoholic beverages in or about the facility, the penalty will be immediate disqualification.

Thank you in advance for your good example and cooperation in regards to these rules.

B) REGISTRATION

In order to participate in an SCVA event, all individuals **MUST** be registered with the SCVA. This pertains to all on-court activities: shagging, calling lines, keeping score, etc. Your Club Director will have all of the information and registration forms for the SCVA. They are responsible for handing them out, making sure they are **filled out correctly** and returned to the SCVA office on time. Only registered athletes will be permitted to play.

As a parent, please take an extra minute to read what you are signing and make sure the form is filled out correctly. This will speed things up and get your athlete on the court faster. No registration materials will be accepted at any tournament site.

Once registered with the SCVA, members are covered by the USA Volleyball's sport accident policy. Please note that the insurance provided by the SCVA will not cover the club and/or its administrators during practice, tournaments, or tryouts unless the SCVA has the signed registration form on file. Please direct any questions to your Club Director. In case of an injury, either at practice or at a tournament, an incident report must be completed either by the tournament director or by the Club Director. This incident report must be submitted to the SCVA office.

C) BACKGROUND SCREENING

If you plan on attending any USA Volleyball event, which includes all Qualifiers, Junior Olympics, and the Reno Festival, you will need to submit both a Background Screening Consent and Waiver Form, which is good for a two year period, and an Adult Registration Form, which must be submitted every year. These forms can be found on the SCVA website. Please check with your club about submitting these forms in a timely manner as the background clearance will take at least 14 days for processing.

D) AGE DIVISIONS

The following age groups shall be in effect for players other than college students, who regardless of age are not eligible to compete.

- a) 18 and under division: players born on or after September 1st, 1993 or players born on or after September 1, 1992 and are high school students during some part of the current academic year.
- b) 17 and under division: players born on or after September 1st, 1994.
- c) 16 and under division: players born on or after September 1st, 1995.
- d) 15 and under division: players born on or after September 1st, 1996.
- e) 14 and under division: players born on or after September 1st, 1997.

****Junior Boys Program only**—who are 15 years of age or younger (born on or after September 1st, 1996) who shall neither have completed nor are in a grade higher than eighth (8th) grade during the current academic year.

- f) 13 and under division: players born on or after September 1st, 1998.
- g) 12 and under division: players born on or after September 1st, 1999.

** Please note that a junior athlete or team may **NOT** play in two age divisions during the same season.

E) DIVISION FORMAT

Tournaments are designed to give maximum competition to each athlete in our program and to allow them to achieve a healthy and satisfactory attitude towards themselves, their teammates and the sport of volleyball. For the girls, there is a series of Qualifying tournaments, which determine the starting division for each team. Following these Qualifying tournaments, there will be a series of Mandatory Tournaments. There will be movement of teams between divisions depending upon the finishing positions of each Mandatory tournament. Points will be awarded to each team based on the order of finish in their respective divisions. No points will be given for friendship, optional or special event tournaments. The Regional Championships will be held at the end of the season. The Regional Championships are a 2-day event.

Please find enclosed a schedule of all Southern California tournaments. At this point these dates are tentative only. Contact your Club Director for an updated schedule, or visit our website—www.scvavolleyball.org.

F) POLICIES FOR TRYOUTS AND COMMITMENT DATES

A commitment date is defined as the first date that a club can obtain a deposit as a means for accepting a spot for their club team and have the deposit be non-refundable.

1. BOYS

- a.) For the 2011/2012 season, all junior boys clubs are eligible to host tryouts for the various age divisions on **September 9th, 2011**.
- b.) For the 2011/2012 season, all boys clubs will have a commitment date no earlier than **September 19th, 2011**.
- c.) Please note, that for a club to be eligible to receive an invitation to the Junior Boys Classic, the club must abide by the tryout and commitment dates set forth by the SCVA. However, abiding by the tryout and commitment dates does not guarantee entry into the event.

2. GIRLS

- a.) For the 2011/2012 season, all junior girls clubs are eligible to host tryouts for the various age divisions on the following dates:
 - 1. Girls 14 and Under Divisions - **October 1st, 2011**

2. Girls 15 and 16 Under Divisions - **November 5th, 2011**
3. Girls 17 and 18 and Under Divisions - **November 13th, 2011**

Please note, the SCVA highly recommends and encourages all junior players to wait until their high school season is over prior to trying out for the club season.

b.) For the 2011/2012 season, all junior girls clubs will have a commitment date no earlier than the following dates for the various age divisions:

1. Girls 14 and Under Divisions - **October 10th, 2011**
2. Girls 15 and 16 and Under Divisions - **November 14th, 2011**
3. Girls 17 and 18 and Under Divisions - **November 21st, 2011**

c.) In addition, no club may offer a spot on a team before the following dates for the various age divisions:

1. Girls 14 and Under Divisions - **October 1st, 2011**
2. Girls 15 and 16 Under Divisions - **November 5th, 2011**
3. Girls 17 and 18 and Under Divisions - **November 13th, 2011**

d.) Please note, that for a club to be eligible to receive an invitation to the Las Vegas Classic, the club must abide by the tryout and commitment dates set forth by the SCVA. However, abiding by the tryout and commitment dates does not guarantee entry into the event.

G) CLUB TO CLUB RECRUITING POLICY

Although the SCVA is aware of certain illicit recruiting actions, we are unable to enforce such a policy for two reasons. First, we do not have the support of the CIF in governing clubs holding tryouts during the CIF season. Second, most recruiting violations come to us in a "he said, she said" manner and are very difficult to ascertain fault. Therefore, we ask the cooperation of all coaches and directors in this matter. The following are guidelines that we ask all clubs to abide by:

1. Hold all tryouts at the conclusion of the CIF season
2. Allow no coach or club representative to make initial contact with an athlete or his/her parent in order to persuade that player to leave his/her current club/team.
3. Refrain from making negative comments concerning other clubs and/or their coaches.

We ask that these guidelines be followed in order to foster a positive experience for the players in pursuit of their volleyball goals.

H) COLLEGE BOUND ATHLETES

Due to the increased numbers of scholarships available, college coaches come to view prospective athletes and watch SCVA tournaments. What is the biggest recruiting time for college coaches? Any tournament! Though the Las Vegas Classic, Junior National Qualifiers, Junior Nationals, and Festival Tournaments draw the largest crowd of college coaches, they frequently attend the regional SCVA tournaments. But remember, there is a lot of “red tape” that goes with college recruiting and there are many restrictions. A central clearinghouse will certify your athlete’s eligibility for Divisions I and II. If your athlete intends to participate in Division I or II athletics as a freshman, they must register and be certified by the NCAA Initial-Eligibility Clearinghouse. They can obtain registration materials from their high-school guidance counselor (if the school has run out of materials, their counselor should call the clearinghouse at 310/337-1492). Remember, qualifying test scores are required for participation at both Division I and II colleges. Please contact your Club Director or call the NCAA 913/339-1906 with any questions regarding college recruiting and restrictions.

I) ELIGIBILITY & CLUB TRANSFERS

Junior athletes (boys and girls) are eligible to play for any Club up until the beginning of the season. From the time of his/her first court appearance, the athlete is to remain a registered member of that specific Club or organization throughout the season. During the season, an athlete may change teams within his/her Club, subject to the discretion of the Club Director. To change clubs, a player must use the following process: First, submit a written request to **both** the Club Director **and** the SCVA office by the stated deadline (see below). The Club Director has ten (10) days in which to respond. If there is no response, the SCVA Regional Commissioner will contact the Club Director to expedite the process. An approval, signed by 1) the Club Director, 2) the team coach and 3) the athlete’s parents/guardians must be received in the SCVA office by the deadline below. If the transfer request is denied, the SCVA Eligibility Committee will meet with all parties to determine whether the transfer will be granted. The Eligibility Committee will make a decision as soon as possible. The girls’ transfer deadline is 12:00 pm, February 24, 2012; the boys transfer deadline is 12:00 pm, May 25, 2012. **After these dates, no athlete will be allowed to change club affiliation. Any registered player is committed to that club until the conclusion of all year ending events including Junior Olympics, the Girls’ Invitational, and the Festival.**

J) FROZEN ROSTERS

Once a team earns and accepts a bid in a Qualifier or at a Bid Event or applies for a bid in an at-large process, then the roster of that team is frozen. All players listed on the roster of a qualified team for the Junior National Championships may not transfer to any other club and/or team. Players on a frozen roster may not transfer to another qualified team even within the same club.

K) THE GAME

1: Scoring:

All play will be the best 2 out of 3 games, with 25 points rally scoring in games 1 and 2. The winning team must achieve a 2-point advantage; no cap will be used. If necessary, the deciding game will be rally score to 15 points win by two, no cap.

2: Tie Breaking Procedure & Pool Play Schedule:

In the case of a tie, pool position will be determined by the following formula:

2 way tie: broken head to head

3 way tie: 1) match record 2) game record 3) point ratio

** Please note - if three teams have the same match record but a different game record, only the teams with identical game records are tied. If match record and game record is the same for all three teams, then the point ratio will be used to break the tie. Formula: Point ratio = points FOR divided by points AGAINST.

Listed below is the schedule for both four and five team pools (there are certain circumstances which may change the listed order of matches).

4 vs. 5 2

3: Officials: The SCVA attempts to provide officials for all scheduled tournaments. We ask that you refrain from any verbal abuse directed at these individuals who are doing their best to officiate the match.

L) SUPERVISION

A registered USAV/SCVA coach is **required** to supervise **all** team members during any SCVA competition. This person, or another registered adult, is required to remain on site until all team members have left the campus. The SCVA is not responsible for “baby sitting.” This pertains to **all** age levels. If the designated supervisor is someone other than the coach, the Tournament Director must be notified.

M) PARKING REGULATIONS

Each site has specific regulations. The high school lots are free of charge. The universities and college charge \$2.00 or more. Their fees are posted at the entrances of the parking lots. NO parking passes will be available. Citations will be given at most facilities. The SCVA will not be responsible for accidents or violations while at a SCVA event.

N) DIRECTIONS

All Site Locations with addresses are also posted on the SCVA website. Please contact your Club Director if a site is not listed here.

The reason your athlete is out on the court is to have fun and to learn the sport of volleyball. We ask that you help the SCVA in applying all that you have read in this booklet. We wish all athletes Good Luck as we begin this season!
