

5A-11D

Player's serving under-hand may start 10 feet in front of the end-line. When the player starts their serve on the court the player must take a step back for each consecutive serve that goes over when the team wins the rally point. For the fourth consecutive service attempt, the player must serve from behind the end-line and in the service zone.

Player's serving over-hand, must start their serve at the end-line. The server may take a step in front of the end-line when serving for the 1st three serves.

On the 4th service attempt and any succeeding serve for the under-hand and over-hand serve, the player may not commit a service fault (foot Fault). Service fault will be called. The ball must be released when the player attempts an underhand serve.

5A-11D

Player's serving under-hand may start 10 feet in front of the end-line. When the player starts their serve on the court the player must take a step back for each consecutive serve that goes over when the team wins the rally point. For the fourth consecutive service attempt, the player must serve from behind the end-line and in the service zone.

Player's serving over-hand, must start their serve at the end-line. The server may take a step in front of the end-line when serving for the 1st three serves.

On the 4th service attempt and any succeeding serve for the under-hand and over-hand serve, the player may not commit a service fault (foot Fault). Service fault will be called

The ball must be released when the player attempts an underhand serve.
