

SCVA Regional Training Days

Southern California Volleyball Association is proud to present officials training opportunities available to you once a month.

These Regional Training Days will be held once a month at either ASC or Momentous. If officials wish to sign up for a day of observation, training, and feedback, they must sign up with Mel in advance. All signups will be cut off the Tuesday before each date.

We are capping the attendees at 12 officials per date.

While these training days are open to any returning official, they are highly recommended for officials wishing to move up to a Junior National or National level.
