RE: SCVA Las Vegas League 2021

Dear Club Directors:

Thank you for your patience as we determine how best to proceed. It is imperative we share that club directors should be communicating clearly about the protocols, guidelines, and ensuring athletes/parents are comfortable choosing to participate or not to participate in the upcoming events. Further, please foster an environment within your respective programs where everyone is honest and forthcoming regarding health-related issues, communicating possible Covid exposure, and quarantining or testing per CDC guidelines.

Please verify the SCVA has received your entry, payment and your rosters are **verified**.

Rosters

Rosters will be limited to 15 athletes maximum.

Staff will be limited to 2 maximum. If a club director wishes to attend, the club director must be one of the two staff members for each team they will view.

Spectators

Currently, NO spectators will be allowed. Given our intent to manage numbers and remain under the maximum allowable number of participants, we cannot allow spectators at this time.

Format

We are working to streamline the format so teams can efficiently play their matches and be done. Expect to play consecutive matches. Please understand facilities may open only 30-minutes before the beginning of each wave of play. Please, no ball shagging for other team during warm-ups.

Officials

This is a developmental league. The league will attempt to provide a single referee (R1) for each court. There will be no lines people. The referee will maintain the score.

Sanitization

Each facility will provide a single game ball for each court. The ball will be sanitized between waves/pools. The courts, nets and public areas will be sanitized between

each round of pool play. No benches or chairs will be provided for teams. Teams are responsible for cleaning up their team area and disposing of all trash after each match. No shared water bottles are allowed in the team area. Each person should have their own water bottle.

Teams should arrive between 30-45 minutes prior to their scheduled start time. An entire team and staff will be temperature screened prior to entering. A roster must be provided with all athletes and staff present for contact tracing. Facilities may not allow athletes or staff to enter who arrive later than their team.

Streaming

Please follow facility guidelines regarding streaming. Not every facility allows streaming.
